

AMENDMENT
In Re Application of Oliver Ahn

3

REVOL.P-4

REMARKS

Pursuant to our conference with Examiner Moran on May 27, 2004, Fig. 1 has been amended to clearly show the secondary decorative symbol P'. As agreed during our interview today, the Examiner is authorized to make an Examiner's Amendment to the specification as outlined in our Proposed Amendment (previously supplied), supporting the amendment to Fig. 1. Support for the amendment is found within the claims and disclosure.

Favorable reconsideration is respectfully requested in view of the enclosed amendments and the following representations.

Respectfully Submitted,
